

REGIS MIDDLE SCHOOL WORK OR PAY GUIDELINES

Your Regis Middle school Booster Club provides the necessary funds to support Regis activities by admissions, concessions and spirit wear clothing sales for Regis sporting events. In order for the Booster Club to be successful, parent volunteers are needed to work at least two (2) shifts per sport that each of your children participates in or pay \$100 per sport/per child to opt out of working. **All parents of athletes, regardless of sport or season, are required to issue the appropriate check amount to the Regis Middle School Booster Club prior to their son/daughter being allowed to attend practice.** The check should be turned in at the Regis Middle School office.

The check will only be cashed if you opt out or do not work your scheduled shifts. A member of the Booster club will contact you prior to the first day of practice for all sports during the year to collect any unpaid Work or Pay checks. **Athletes will not be allowed to participate until the Work or Pay fee is turned in. This will be strictly enforced with no exceptions for athletes, parents and/or coaches.**

We started an online sign-up procedure in the fall of 2012 for Work or Pay shifts. Please follow the instructions for access and registration through the Booster Club option in the Regis Catholic Schools website and then select the dates and events you want to work. The sign-up is first-come, first-served and the shifts will be posted as the sport schedules are released.

It is required that someone 16 or older work the scheduled shifts. High school students under 16 may work along with a parent but only one credit will be granted; however, the high school student could receive service hours for his/her time worked. Each available shift is listed separately and only one worker will be given credit per shift. After you have fulfilled your work obligation, your check will be destroyed. **If you fail to work the assigned shifts, your Work or Pay Fee check be cashed.**

Please contact Emily Gehling (e_gehling@yahoo.com) if you have any questions.
